

## Solid Sheet

*“Protect Your Investment”*

### CVT Fluid

True Brand® CVT Fluid has been designed with excellent oxidation stability, anti-wear and extreme pressure protection, therefore helps with improved seal-swell protection as well as superior wet clutch performance.

For **BEST RESULTS** perform fluid exchange regularly by following manufacture recommendations!

#### Truth - Application / Directions

- Safe for all CVT Transmissions
- Do NOT mix with NON CVT Transmission Fluid
- If using Transmission Machine \*must\* designate a machine strictly for CVT fluid exchange service. (Do NOT mix fluid)
- Suggest (Drain and Fill) so cross contamination is not an issue.

#### Truth - Features / Benefits

*“No longer a need to stock multiple or expensive brands”!*

True Brand CVT fluid is designed to meet performance requirements and specifications of ALL Continuously Variable Transmissions. True Brand CVT fluid helps ensure proper performance and operation of Continuously Variable Transmissions (CVT) with no need to stock multiple or expensive brands!

- Full synthetic fluid
- Designed to provide torque transfer
- long-life friction modifiers with metal to metal protection
- Anti-wear additives with excellent anti-shudder durability
- Shear stable viscosity modifiers
- Wet clutch performance
