High Mileage Treatment

True Brand ® High Mileage Treatment is a concentrated blend of antioxidants, detergents, dispersants and lubricants formulated to fortify ***all grades of engine oil***. True Brand ® High Mileage Treatment is a leave in Oil Additive professionally formulated for any age vehicle. Especially designed for those with High Mileage.

For ***BEST RESULTS*** High Mileage Treatment is recommended every oil change!

Recommendations:

- Best when used in conjunction with True Brand® Engine Treatment once year

Truth - Application / Directions

- Add entire content to crankcase (treat up to 6 qt.)
- Drive Vehicle for 15—20 min
- This formula is good for ALL synthetic and petroleum base oils.

Truth - Features / Benefits

True Brand ® High Mileage Treatment provides long lasting engine protection and helps maintain optimum performance for ***extended Engine Life***. Advance antioxidants prevent oxidation and thickening of engine oil under even the most severe driving conditions.

True Brand ® High Mileage Treatment enhances engine oil’s ability to reduce friction and wear on internal engine components. Special dispersants help keep piston rings, belts, hydraulic lifters and other engine components clean and free of sludge or deposits. It is Compatible with synthetic and petroleum—base oils.
